Exercise table for curriculum integration

Points to consider	Personal comments
What I believe the objectives of CLIL are	
How is the methodology that I apply in CLIL different from the one used when teaching in L1	
What are my resources for the different tasks that I implement in CLIL classes	
How well I manage to integrate L2 in my classes	
What is my primary focus in CLIL: content or language?	
How well I explain the tasks	
How much I insist on corrections in interaction
