

Checklist

| Statement | Checked | Need to check |
|---|---------|---------------|
| I am aware of the specific content areas or subjects in which CLIL is being implemented in my class | | |
| I have a clear understanding of the language learning goals that are integrated into the CLIL lessons | | |
| I know the specific content objectives or learning outcomes that are being targeted through CLIL instruction | | |
| I am familiar with the overall CLIL methodology and its principles | | |
| I am using authentic materials | | |
| I know how to effectively plan CLIL lessons, including selecting appropriate content, language objectives, and activities | | |

| | | |
|---|--|--|
| I can differentiate instruction to meet the varied language proficiency levels and learning needs of your pupils | | |
| I know how to assess both content understanding and language development in CLIL lessons and how to provide feedback to pupils | | |
| I need to learn more about scaffolding techniques to support my pupils' language development during content instruction | | |
| I can evaluate if the tasks, activities, and tools used in CLIL instruction are suitable for the pupils' age group and aligned with their language competence | | |
